

Call for Proposals - Speaking at Vercel Ship (May 2024)

Vercel Ship brings together our Community, Partners and more to hear the latest Vercel updates and customer stories.

We want to hear how you're helping build a faster web with Vercel with a 25 minute talk, in-person in New York City.

Submission

Write 1-2 paragraphs summarizing your talk, ideally telling a story about a problem that you or your team solved:

- Scaling your app on Vercel
- Migrating to Vercel and how it pushed your business forward
- How you're using the latest features from Next.js on Vercel
- Optimizing the performance of your application
- ...or anything else your find interesting

CFPs do not need to be polished or scripted. We just want to hear what you plan to talk about.

Deadline: **Apr 24, 2024, 11:45 AM PT**.
